## WELCOME to the AUGUST edition of LINK

Greetings!

This month is due to see a long-awaited moment in the parish, as the church gathers in celebration at St Andrew's on Tuesday 13<sup>th</sup> to support the Rev Simon Hones, as the Acting Bishop of Southampton comes to license Simon as an Assistant Curate to the parish.

Simon has spent his adult life in ordained ministry, serving in churches big and small, rural and urban, most recently in the parish of Marchwood on the other side of our large Deanery. He brings a great deal of experience and wisdom to the role and I am delighted to have him join me as a ministry colleague.

Like the long line of assistant ministers who go before him, Simon will be licensed to serve the whole parish, but will be living in the Church Cottage next to St Andrew's Church and he will take the lead in pastoring the St Andrew's congregation, supported by our very able team of retired clergy and lay leaders. He and I will also be considering what other ministry focus he might take on across the parish while he is with us.

We have waited long for Simon's arrival, and I am grateful both to him and to the church family for waiting patiently while the diocesan administration has taken some time to be completed. I am also deeply grateful to Rev Angie Gammon for stepping into the breach whilst the vacancy wore on, and for doing such a fine job of caring for the St Andrew's congregation over the last nine months. There is a real warmth of fellowship at St Andrew's, and Simon has a wonderful opportunity before him, thanks in no small part to Angie's ministry.

Please join me in praying for Simon as he prepares for his Licensing and settles into the role over the coming weeks.

In Christ, *Phil*

## A Message from Gill Morris ...

Once again I have been overwhelmed by your love and generosity. When Phil gave me an envelope recently, I was speechless. Mere words can't express my gratitude. Thank you all so much for such an unexpected and amazing gift.

It has been a real honour and privilege to have served as your churchwarden but I couldn't have done it without the help and support, love and prayers which all of you have given me, and I thank God for His faithfulness and for all we accomplished over the years.

This gift will help with all the treatment I am having at the moment for the recovery of my neck and shoulders following my accident.

I still hope to serve in different ways in the church for as long as I am able and provided it is in God's plan for me!

With my heartfelt gratitude and love,

*Gill*

## But then ...

In the service at All Saints' on Sunday 7th July, Phil announced that July 2024 marks 50 years since Gill Morris joined the church in Hordle! What faithfulness both to God and His people! Gill was given a plant for her garden to mark this 50th anniversary. Thank you Gill.

## The Life of Christ - Wintershall

Photo : Wintershall

**The Life of Christ** was performed from 18-22 June on the beautiful Wintershall estate in the Surrey hills. Over 5,000 people attended. 70 primary and secondary schools brought children to enjoy it. Audience members travel from all over the UK to enjoy this annual event.

The Wintershall cast is made up of 100 people who are mostly volunteers and the production includes horses, sheep, doves and a donkey. The greatest story of all time is movingly recreated in the open air with authentic detail, outstanding quality sound and music.

The Life of Christ is a passion play not to be missed. The performances include the Wedding in Cana, the Feeding of the 5000 and the Last Supper which unfold before your eyes. This is an immersive production with the actors walking amongst the audience and audience participation is encouraged during certain parts. The audience moves through four locations throughout the day with wonderful views of lakes, forest and open parkland.

Each day runs from 10am to 3:30pm with free parking for cars, minibuses and coaches. Mobility vehicles and an excellent sound system make it a very enjoyable day for all. The dates for 2025 are 17-21 June and bookings can be made online on the website [www.wintershall.org.uk](http://www.wintershall.org.uk) or by calling 01483 892167. Wintershall will also be performing the Nativity Journey from 11-16 December and the Passion of Jesus (in London) on the 18th April 2025.

*Wintershall education department also provide a school Assembly programme with a Wintershall actor, in costume, performing short moments from 'The Life of Christ' as 15-minute dramas. For schools further away, there are Online Assemblies with a choice of 5 special pre-recorded assemblies.*

# Church Weekend at Home 5th - 7th July 2024

Wonderfully uplifting

It was great having quality time together

Would it work? Would people come?  
Who would lead our study sessions?  
How much would it cost?

Hand these questions over to Jo, Liz, Phil, Chloe, and Anya and all would be well. Many months later, many meetings, emails, lists, risk assessments and it came together. Much credit must be given to Jo and Liz for inviting Shaun and Anne Atkins, organising the food, volunteers and rotas.

Nearly everyone who attended was involved in producing cakes, desserts, salads, ploughman's lunch, welcoming, cleaning, washing up, music, leading activities on Saturday afternoon. It was wonderful seeing everyone working so well together and enjoying it all.

There was such a lovely atmosphere throughout the weekend

It broke down barriers and helped us to come out of our tightly lidded boxes.

An extremely well organised weekend

The worship times were very special

Iris's birthday cake

I really enjoyed all the water games.

*God can use even the most insignificant people in his great plan*

*The Barn Dance was crazy fun. I didn't know I would enjoy dancing so much.*

*Really good Bible teaching*

Over the course of the weekend Shaun led us through the book of Ruth reminding us that we may only be able to see God at work in our lives by giving us a retrospective view, enabling us to fully understand His love for us and His guidance when we trust Him. He showed us how His plan of redemption was woven through the different characters in the story. GM

*All photos by participants*

*A great way of uniting our church family spiritually and socially*

*I enjoyed sharing time with and getting to know our church family*

## Anya's VISION for Youth and Children's Work

I have so enjoyed my first four months as Children's and Youth Worker here at Hordle and Tiptoe Church. There've been so many exciting things I've had the privilege of being involved with and have met so many wonderful people. Over these months I have been working on a vision for Youth and Kids ministry here to set the purpose and direction of what we do and I presented this to the church back in June. Below is a summary of what I shared:

### **Mission Statement (based on Psalm 78):**

*"We will tell the next generation the praiseworthy deeds of the LORD, his power and the wonders he has done, so that they would put their trust in God and would not forget his deeds but would keep his commands."*

This is our overall mission for this ministry and will be our heartsong. It's a call for both Christian parents and carers at home but also us as a whole church to tell the next generations who God is and what he has done for them through Jesus, and it's a call on the children and young people to respond to that message in faith and obedience. Everything we do in Youth and Kids ministry will be to fulfil this mission statement.

### **Principles and Priorities**

Coming out of this mission statement, as well as Romans 1:16 and Deuteronomy 6:4-9, are 3 priorities (what this looks like in practice), and 3 principles (how we're going to carry this out)

- Priorities:**
1. To support parents and carers in raising the children in their care to know and love Jesus
  2. To provide children and young people with the opportunity to hear and respond to the gospel of Jesus Christ
  3. To equip children and young people to mature in faith and disciple others

- Principles:**
1. Founded on prayer
  2. Centred around Scripture
  3. Discipled by disciples

### **Future**

Going forward, the groups and events we currently run will continue, perhaps with a couple tweaks. There's so much great stuff already being run by the church and we have great partnerships with both primary schools. Here are some other things I would love to explore and introduce over the coming year:

- WhatsApp group for parents and carers to stay in touch and one another (plus an email list) to share prayer updates
- Taking a group to summer camp and having other members of the church sponsoring and praying for those going on camp. A whole church partnership in helping these young people grow!
- I'll be helping run the Church School Vision Group at Hordle School
- Running a Holiday Bible Club for the children in the villages over the Easter holidays
- Taking young people to bigger gatherings and conferences in London and Southampton
- Keeping parents and carers informed of good resources to help them parent their children and explore faith with them at home, and provide termly bookstalls
- Events for the whole family, including a potential Bible conference in the New Forest next summer
- Discipleship groups for every age, working together to teach the children and young people the whole Bible comprehensively over their childhood:

*A space for 0-4 year olds during the 10.30am church service. There will be toys, a Bible story and craft/colouring that can be led by parents/carers, and a relay of the church service. On each 1<sup>st</sup> Sunday there will be two leaders to run this so parents/carers can stay in the service.*

*A group for children in Primary School who will go out for the middle part of the 10.30am service for age-specific Bible teaching, game and craft (except for 3<sup>rd</sup> Sunday of the month when it's an All Age service).*

*A group for young people in Secondary School who want to dig deeper into the Christian faith, run in partnership with River of Life Church in Tiptoe. Meeting every Tuesday evening during termtime for a Bible Study, games, snacks and fellowship, along with regular socials.*

I am excited to see how God will continue to work in the coming months. I'm grateful for the team who already serve and look forward to serving alongside more of the church family as (we trust) this ministry grows. [youth@hordleandtiptoechurch.org.uk](mailto:youth@hordleandtiptoechurch.org.uk)

# Oakhaven Acorn Project

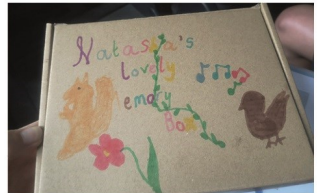

*Oakhaven Hospice, Lymington*

Hordle Primary School children were invited to Oakhaven to take part in the Acorn Project. This valuable project allows the children to visit and learn about its history, meet patients, staff and volunteers and learn about the vital role the centre plays within our community.

## *Week One*

A small group of Year 6 pupils headed to Oakhaven for the first time. In week one, they met patients and volunteers, began an art project inspired by national parks and heard stories about the adults' favourite memories of their trips to national parks.

## *Week Two*

In the second week, the children continued their art project, had a tour of the grounds and even got to have a look at an inpatient bedroom and bathroom. Some of the children shared memory boxes with staff and patients, symbolising items and memories that are

important to them. There is so much specialised equipment and it is very clear just how hard the staff work to make Oakhaven a sanctuary for their patients.

Can you see which brand of tea bags inspired the artwork? Did you know this is also a national park?

### *Week Three*

In the final session, the children shared the last of their memory boxes, met Alfie the therapy dog and even took part in a Sports Day race. The children were amazed to hear that Oakhaven have to fundraise almost 8 million pounds each year just to keep running.

We are so very fortunate to have such a wonderful hospice in our local community.

*A huge thank you to Jane and Oakhaven team for looking after us.*

## THOUGHTS FROM MY GARDEN ...

A few weeks ago, I went shopping and parked my car under some trees with low branches. After packing my bags into the boot and myself into the driving seat, I realized I had company. On the windscreen wipers was a goldfinch, a tiny bird smaller than a wren. I think he had seen his reflection in the windscreen as he seemed so interested in this other bird. My presence did not bother him at all, even when I tried to persuade him to leave. Eventually, he got the message and stayed on a branch.

When I went shopping about ten days later, the same thing happened, only this time he would not stay on a branch. Before I could get back into the car, he was back on the windscreen wiper! This must have gone on for about five minutes with me getting in and out of the car, gently shooing the bird up into the tree and then him coming down again before I could drive away! This happened early in the morning with not many people about, otherwise I would have asked for help. In the end, I drove away very slowly, and the bird went off the side of the car.

On one of the afternoons during the short hot spell, three of us, with a combined age of 260 years, went to Exbury Gardens, with two of my daughters looking after us. We three oldies had the use of electric scooters, which was great fun. Although we had a map, several times we had to reverse because we found steps in the way. There are not many flowers to see at this time of the year, but we got down to the Beaulieu river and watched a few boats. Of course, we stopped for tea and cake! It was a good afternoon that I would recommend. It was probably more enjoyable because there were five of us, which meant lots of chatter and laughter. You do need to book the scooters, but for a £5 hire charge we had 3 hours of fun!

Enjoy your holidays.

## Bible presentation to Hordle School

On an idyllic summer day 55 year six leavers were led in procession by School Mascot, Morris the donkey, to the vicarage garden for a picnic and to receive their Youth Bibles.

HeadTeacher, Lou Trim, showed us her childhood bibles, now very well used and benefiting from many repairs. Lou explained to the children the real value that she has gained in reading and studying her Bibles, throughout her life - 'often words or passages just speak to you in special ways'. We all agree, Lou, with that advice.

Gareth Davies, **Bible Society Church** Engagement Lead, spoke about how the Youth Bibles have been produced by working with 11 to 18 year olds so that they are relevant to that age group.

We want to thank the 'bin collection' team for their wonderful patience, also, as our procession caused quite a significant hold up in the lane. The picnic ended with everyone enjoying choc ices before heading back to school.

The staff and children expressed deep gratitude to Hordle and Tiptoe congregations for their extremely generous support for this project. Matthew 28: 19 Go and tell....

## GREENING

TIPTOE, HORDLE  
& EVERTONCAMPAIGN LAUNCH on Sat 13<sup>th</sup> July

It was lovely to host this event in Hordle Memorial Hall: the churchyard alive with insects, the bells ringing and indoors information for every interest:

- Thermal imaging & advice on home insulation
- Jean Genie remaking jeans as draught excluders
- Seeds to plant up to grow on at home.
- Plans for a Hedgehog Highway, Nature Walks,
- The *proposed* Cycle Tube map
- Inspiration to repair, reuse, compost and recycle
- And much conversation about living well despite a changing climate

Tiptoe Green, CPRE, Sylvan Bee Keepers, Lightfoot's Farm, and the Everton Fruit Abundance project all supported the Launch. Cheery volunteers made us welcome and served home-baked goodies from the kitchen.

We are delighted to support our local community with this village-led initiative. We will steward God's creation better together and are enjoying making new friends. Events planned for the Autumn will be publicised in the weekly notices.

*Helen Edmonds*

## Have your say! Your chance to help shape Oakhaven's strategy for the future.

### What does Oakhaven mean to you?

Oakhaven Hospice has been a vital part of our local community for over 30 years. The Oakhaven team is currently in the process of shaping the hospice's strategy for the next 5-10 years and welcomes you to spend a few minutes of your time completing a survey.

Your valued opinions and feedback will help your local hospice to understand the depth of awareness of Oakhaven and the important services its teams provide. Your input will help Oakhaven Hospice to ensure that it is meeting the future care needs of families living in the New Forest, Totton and Waterside communities.

To complete the survey by 30th September, please visit [www.oakhavenhospice.co.uk/survey](http://www.oakhavenhospice.co.uk/survey)

Demand for Oakhaven's specialist services grows each year. Last year the hospice cared for 1,400 patients and supported over 3,200 local people who visited the Coates Centre to benefit from wellbeing and bereavement support.

**It costs £8 million each year to fund Oakhaven's services. Yet just 11% of Oakhaven's funding is covered by the NHS**, for the remaining 89% the charity relies on your kind donations, fundraising, gifts in wills and income from the Oakhaven charity shops and social enterprise Oakhaven Care Ltd.

However, like many other hospices in the UK, the current cost-of-living crisis is having a highly detrimental effect on Oakhaven's ability to generate sufficient income to cover day-to-day running costs. According to Hospice UK's quarterly financial benchmarking survey, the UK hospice sector, which supports 300,000 people annually, is facing a collective estimated deficit of £77 million in the financial year 2023-24.

To find out more about how you could help Oakhaven with a donation, fundraising or a gift in your will, please visit [www.oakhavenhospice.co.uk/support-us](http://www.oakhavenhospice.co.uk/support-us), or contact the Fundraising Team directly on 01590 677773 or [fundraising@oakhavenhospice.co.uk](mailto:fundraising@oakhavenhospice.co.uk).
