# WELCOME to the February issue of LINK

## A belated Happy New Year to you all!

As LINK returns to monthly issues, I thought this would be a good year to consider particular dates traditionally commemorated by the church.

So as February 14<sup>th</sup> looms, we start with the patron saint of, er, epilepsy. *Epilepsy?* Yes, St Valentine is the patron saint of epilepsy ... and beekeepers, apparently. Of course, since the Middle Ages his patronal festival has been *particularly* associated with - logistics.

But not love; *that's* St Anthony of Padua, on June 13<sup>th</sup>. In fact, as one of the earliest Christian leaders to be officially sainted, there is no single individual that can be clearly identified as him in historical records. Sainthood has often been bestowed on Christian martyrs and the earliest tale attributed to St Valentine is of a Roman bishop who was a passionate evangelist of the Christian faith, but who tried and failed to convert the Emperor Claudius II. He was beheaded as a result - on February 14<sup>th</sup>.

Only in the last 500 years or so has the tale been embellished, imagining him leaving a note to his jailer's daughter, signed "your Valentine", or secretly conducting marriages for Roman soldiers. The idea then arose that Valentine's day was intended to be a Christian version of the Roman fertility festival, Lupercalia, celebrated on February 15<sup>th</sup>.

So whoever Valentine was, he's not the reason people will be giving their loved ones flowers and chocolates this month – though we don't need a reason to do that! I suspect he would instead point us to a different love, a love that we can all receive - God's love, revealed in Christ:

*This is how God showed his love among us: He sent his one and only Son into the world that we might live through him. 1 John 4:9*

God bless, *Phil*

## Thank you, Anya ...

This month marks the end of significant season for the parish as we bid farewell to Anya who has been our church Youth and Children's Worker for the last two years. Anya has supported all areas of the church's work with under 18's across the parish, expanding the number of groups providing teaching for children at All Saints' Sunday services, starting a successful midweek study group for teens, and joining the Open the Book team at Tiptoe School, as well as taking up the leadership of our other existing ministries and seasonal activities.

She is leaving us on a high at the end of a second Holiday Bible Club this half term, one of several exciting new initiatives she has enabled in her time with us and I want to offer her hearty thanks on behalf of the parish community as we wish her well in her next adventure.

Well done and thank you, Anya!

*Phil*

## Welcome to 2026!

The New Year is now a month old, but it is still a New Year with all its unknowns.

At Tiptoe on Sunday 18th January, the last hymn finished with this verse, so the congregation left church with these words ringing in their ears! How appropriate ...

*For Christ is the First and the Last;*

*His Spirit will guide us safe home:*

*We'll praise Him for all that is past*

*And trust Him for all that's to come.*

## Month Long Mission Focus

November Services across the Parish focussed on our Mission Partners - **Leprosy Mission, Tearfund and Bible Society.**

The culmination was our combined parish service at All Saints' on 30th November with Dave and Becky Waterman from **Mission Aviation Fellowship.**

We have been supporting the Waterman's for a number of years and it was great to meet them in person and catch up on their news. Trained as an Avionics Engineer, Dave has played an essential role in maintaining the MAF fleet of small aircraft serving communities in Africa.

After a period of 4 years in Uganda, he and Becky moved to Liberia where Dave helped to develop a regional West Africa maintenance base. Becky has led women's Bible study groups, recorded weekly encouragements from the Bible on YouTube and published her first Bible Study book.

In 2024 they moved back to the UK and Dave is now based in the Ashford office in Kent as Project Manager, Fleet Development and Innovation. Becky is continuing to develop her writing and teaching ministry.

On 30th November, Becky preached from 1 Kings 17:7-16 – the story of Elijah, during a severe famine, asking a widow for bread made from her last morsel of flour. The message speaks of God’s provision, even when things seem impossible.

Just like the woman’s jar of flour and jug of oil that did not run out, Becky testified to answered prayer and God’s faithfulness. When Dave suffered appendicitis and faced an operation in an under-resourced and unsterile local hospital, God provided exactly the right money to pay for the procedure, ensured that the lighting generator was repaired just before the operation which was performed by a highly qualified European doctor just before he returned home. God’s timing was perfect.

You can find out more about Dave and Becky and the work of MAF on their website.

Clive Gammon

## **Generosity in Difficult Times**

*In what has been a 'challenging' financial environment, the generosity of the Church Family at Hordle and Tiptoe has again shone brightly through our Mission Month. We pledged to support our four selected charities of Leprosy Mission, Bible Society, Tear Fund and Mission Aviation Fellowship with a special focus on their work and a dedicated collection for them.*

*Your abundant generosity has meant that we have passed on £1,372 to each of these charities. With the Gift Aid added where possible, you have given £5,488. In addition, the wonderful jam and marmalade team have also collected £282.50 for Leprosy Mission.*

*A huge well done to each and every one of you.*

*Treasurer*

## Mission isn't only for the month of November ...

*A pre-Christmas 'thank you' came from the Bible Society:*

Looking back on a year of Bible Mission, nothing stands out more than Ukraine. We see God at work there to heal and restore through the Scripture resources you generously provide and the volunteers who courageously share them.

In spite of the horror in Ukraine, you can be certain that your donations reach people wherever they are – risking their lives on the front lines, recovering in hospital or grieving at home. In every one of these situations, there's a local Bible Society worker sharing Scripture that you provided.

After another day of visiting soldiers, hearing stories and giving Bibles, Revd Anatoliy Rhychnets said: 'God's word is alive and active. As we read it with people, our eyes reflected emotions inspired by God's love – unmistakable and sincere.'

Please keep praying for peace in Ukraine and for God's word to reach more people and to heal more hearts. Pray that the Scripture resources you have shared will change everything for the people receiving them.

**MAF (Mission Aviation Fellowship) is a Christian organisation that is changing the World – one flight at a time. Our fleet of over 100 aircraft enables tens of thousands of passengers every year to fly safely and swiftly over derelict roads, violent conflict and natural disasters. We fly food and water, health professionals and medical supplies, emergency workers and Christian Missionaries to isolated people in more than 1,000 isolated communities.**

**Practical Help. Spiritual Hope. Physical Healing.**

**MAF IS FLYING FOR LIFE**

**The MAF calendar for 2026 includes a Bible verse for each month.**

That for February is: "We put our hope in the Lord. He is our help and our shield."

Psalm 33:20

**See you at one of our**

# **Lent Lunches**

**We're raising money for Christian Aid!**

**Come and join us for a simple Soup, Bread & Cheese lunch  
and help Christian Aid fight poverty around the world.**

**St. Andrew's Church Hall, Tiptoe**

**12.00 - 1.30pm**

**every Thursday from 19th Feb to 26th March inc.**

**Come along for lunch and some fun while raising  
money for Christian Aid! All over the UK, people are  
joining their local Lent Lunches and fuelling themselves  
to stand together against poverty.**

**You're warmly invited to join us.**

**Christian Aid exists to create a world where  
everyone can live a full life, free from poverty**

## Marguerite Audrey Huish 1933 - 2025

On 8th January, family and friends of Marguerite gathered at All Saints' to give thanks for her life. She had been a valued member of the church for many many years. Revd Michael Anderson led the service, and recalled the years when Marguerite was the Vicarage's neighbour in Hordle Lane.

Marguerite's daughters and a grandson led the congregation in remembering her gift of hospitality, when she exercised her considerable abilities as a Cordon Bleu chef. Many were able to give thanks for that, but perhaps lesser known were her talents as a nurse and working with St John's Ambulance. She exhibited an insatiable curiosity, a wry sense of humour and an openness to new experiences. Her enquiring mind led her to pursue an OU degree in later life and Marguerite could probably put many to shame with her grasp of new technology right into her 90s.

Family games were important to Marguerite, with her grandson particularly citing the UNO challenges they used to enjoy!

Many were able to join the family in refreshments in the Memorial Hall after the service, a gathering of which Marguerite would surely have approved.

## Viv Binns

**Happy 80th birthday Viv  
for February!**

**Love and best wishes  
from the Church family!**

**February is the border between winter and spring**

## Little Known Bible Characters

Another of Gill Morris's 'minor' characters in the Bible

### Abigail

In Hebrew, Abigail means 'source of joy'. Abigail was from the tribe of Judah and was the wife of Nabal, a wealthy Calebite. She was a beautiful and intelligent lady, sensible, capable and she recognised God had a plan for those who acknowledged Him.

Nabal was a difficult and surly man who had insulted David during sheep-shearing. David wanted to retaliate but Abigail, sensing problems, intervened as peacemaker by preparing a feast for David.

She acknowledged Nabal's foolishness and appealed to David's better nature, pleading for mercy. David was moved by her humility and wisdom and blessed her for saving him from committing a terrible sin.

Although this is the only story we read of Abigail, we can learn so much from her. She was an ordinary woman who used her intelligence and common sense to make wise decisions (except perhaps in her choice of a husband!) She saw the needs of others and her actions demonstrated her courage, humility and an understanding of God's will. She made the most of her skills and opportunities and won the respect of those around her. David was impressed by her - after Nabal's death he married her.

Life's challenges can bring the best out of people and, if we act in line with God's will, there can be great blessing.

**While it is February, one can taste the full joys of anticipation.  
Spring stands at the gate with her finger on the latch!**

*Patience Strong*

# A visit from Cllr Jack Davies for UK Parliament Week!

To celebrate UK Parliament Week, we were delighted to welcome Councillor Jack Davies to Team Hordle. Cllr Davies spoke to the children about the work he carries out in our local community, from organising bus timetables, and improving our local parks, to becoming Mayor of Lymington - Cllr Davies has achieved it all! His visit provided a fantastic real-life example of

the British Values that we promote within school every day. Pupils learned about democracy in action, the importance of rule of law, and showed great mutual respect as they listened and asked some fascinating questions. After the talk, our School Council had the exciting opportunity to meet with Cllr Davies directly, where they had the chance to ask Cllr Davies some thought

provoking questions such as "What is the most difficult part of your job?" and "What interested you in becoming our local Cllr?" The School Council also discussed issues important to them and explored how individual liberty and student voice can make a positive difference in our local and wider community.

We are incredibly grateful for the time, encouragement and inspiration given to our young learners. Thank you, Cllr Davies!

## Thank you, Lymington Rotary!

We wish to pass on a huge THANK YOU to Lymington Rotary Club for our recent donation. We are delighted to share that after researching, voting and thoughtful discussions, our KS1 School Council decided to use the funds to purchase some new playground equipment. Our new equipment has now arrived and is ready to bring lots of smiles and active fun during lunch time!

# In Year School Tours

Spaces available in Year 1 - Year 6

We wish to invite families to one of our tours, for prospective children looking to join Year 1 - Year 6 in the 2026/2027 academic year. Our tours will be held on:

- Friday 6<sup>th</sup> February
- Thursday 23<sup>rd</sup> April

Each tour starts promptly at 9:30am with an information session delivered by our Headteacher, Miss Trim.

*Please note, booking is essential.*

Please email [adminoffice@hordle.hants.sch.uk](mailto:adminoffice@hordle.hants.sch.uk) or call us on 01425 611657 to book your place.

“It's such a joy to see my children so happy and excited to go to school, knowing they're ready for an amazing day ahead!”  
Parent, July 2025

“This is a school where everyone smiles!”  
Ofsted inspection report, March 2022

'That they may have life; life in all its fullness' John 10:10

## THOUGHTS FROM MY GARDEN

In between the storms which pass through, we have had some good days of sunshine with cold frosty nights. The frost is good for the garden. Blackcurrants like it cold and my strawberry plants are now back in the greenhouse after the cold spell. Brussel sprouts taste so much sweeter after they have been frosted!

I have been told raspberries grow best in Scotland; they do like a lot of water, and my garden gets too hot and dry in the summer months, so the few I have left are going to be dug out, which will give me space to plant a new plum tree. There was a mature Victoria plum tree here when we bought this house ... and it has just blown over! It must have been about 70 years old and has been losing branches for about 10 years, especially when there was a lot of fruit on them.

I had been watching five pheasants, two cocks and three hens, walking around my garden when they went near the plum tree and I realised it was at an unusual angle. The trunk is now in logs, with a hole through the middle. No wonder it fell down!

I am beginning to think of the new gardening season; the broad beans and sweet peas seeds can soon be planted in the greenhouse. There will be plenty of purple sprouting later on - I have put the protective bags back on as the pigeons like the tender tops. I just hope they stay on as there is quite a wind blowing at the moment!

Leeks are a regular part of our menu. I think this year has been the best crop I have ever grown.

Look after each other.

## A letter of appreciation for our support ...

### **Kamal was just seven when he was told he was cursed.**

Take a moment to let that sink in. It's shocking to hear, isn't it?

No child should be told they're cursed. No child should think that leprosy is their fault. Yet myths about the disease mean children like Kamal still endure heartbreaking stigma and shame.

But **Kamal's story isn't one of despair. It's proof that God is at work today**, moving through you to bring hope to His children.

Kamal lives in rural Nepal. When strange patches appeared on his face, his parents took him to a traditional healer. But instead of recognising leprosy, he said that Kamal was cursed by a snake god.

Can you imagine the terror that gripped Kamal's parents? They did everything they could to lift the "curse". But nothing worked.

Each day, they watched in desperation as their son's health deteriorated. And all the while, Kamal wondered what he had done to deserve the pain he was in.

But **thanks to you, God's light was shining for Kamal.**

At Anandaban Hospital, which you faithfully support, he found the care he needed.

Doctors helped him fight the physical battle against leprosy. Ruth, the hospital counsellor, gently explained that he wasn't cursed. She even went to his village to dispel the myths and stigma surrounding the disease. And today, thanks to their dedication and your compassion, Kamal's future looks bright!

**Thank you for being part of God's story for Kamal.** Because you choose to pray and act, the light of Jesus is breaking through the darkness of leprosy and fear.

With God's grace, we can continue to shine out this light together. We can welcome each child like Kamal in Jesus' name, and stop another generation being lost to leprosy.

# KEEP ENGLAND CLEAN

*'England's green and pleasant land' ...*

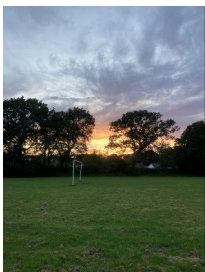

How can she be pleasant as things are at present,  
Pollution all over her face?  
With litter and tins which should be in bins  
Thrown in ev'ry conceivable place!

*'England's green and pleasant land'?*

The beautiful 'green' can hardly be seen  
For the junk that's been left there before  
By thoughtless day-trippers, with lunches in 'zippers',  
And their bright picnic parties galore!  
While plastic containers and other 'remainders'  
That nothing will rot or decay,  
And derelict cars, make permanent scars -  
'Will nobody take them away?'

*'England's green and pleasant land'!*

The mountains and glens, the downs and the fens,  
The beauties our islands display  
Are worth preservation - a trust for the nation -  
One not to be frittered away.  
What shall we pass on to our children unborn  
Of the wealth Nature's put in our hand?  
If they're to enjoy it, we must not destroy it -  
This green, this most beautiful land!

## New Year reminders of simple Eco Tips - to make a difference to Climate Change

- Buy less stuff - use what you have already. It costs energy to make new things.
- Check you have maximum thickness of insulation in your roof - no heat wasted
- Replace old lightbulbs with new lowest energy ones e.g. LED or bulbs with an A energy rating.
- Buy locally-grown food - eat food in season so local/UK growers flourish and not the air miles.
- If you have the space, plant a tree - which provides shade in the summer and absorbs greenhouse gases from the air.
- Boil only the water you need - don't overfill the kettle.
- Arrange (through Eco Church team) to have a heat survey in your home to show where you're wasting heat and what to do about that.

Eco Church Team

**Try to be a rainbow in someone else's cloud.**

Maya Angelou

# How to pray for your MP in 2026

Five practical ways to pray for your Member of Parliament  
as they represent you and address issues of injustice

*Written by Eve Paterson 19 Nov 2025*

Look at any news outlet and it's clear that political leadership is a challenging responsibility in today's world. Mindful of the burdens of leadership even in his time, the Apostle Paul encouraged that *'petitions, prayers, intercession and thanksgiving be made for all people – for kings and all those in authority.'* (1 Timothy 2:1–2)

## **Will you commit to praying for your MP in 2026?**

As promised, here are five ways you can pray for your MP:

**For safety and wellbeing**

**For a global mindset**

**For courage on the climate**

**For integrity**

**For opportunities to speak up for justice and peace**

To enlarge on these ideas, please visit the tearfund website  
for more detail.

**Do the best you can until you know better.  
Then, when you know better, do better!**

*Maya Angelou*

# Help hospice care live on

**Could you pledge a gift in your will to ensure Oakhaven Hospice is here to care for and support local families in the future?**

Oakhaven is at the heart of our community, each year providing compassionate care for thousands of patients and specialist support for their loved ones. Oakhaven is here for everyone in the New Forest, Totton and Waterside, from the diagnosis of a life-limiting condition to being there for loved ones in bereavement.

For many of us, a hospice will touch our lives, whether for ourselves, a loved one, or a friend, providing comfort, dignity, and expert care through life's most challenging times. But this support wouldn't exist without you. Oakhaven relies heavily on charitable donations to keep its doors open.

A gift of any size will help to ensure Oakhaven is here to help people you love receive end-of-life care.

Hospice care is free at the point of use. But, unlike the NHS, it is not fully state-funded. Currently, just 11% of Oakhaven's annual running costs are covered by the government. With rising costs and growing demand for hospice services, these gifts are more important to us than ever.

A gift in your will can help make sure Oakhaven will be here to offer compassionate, free care to thousands of people each year, now and in the future.

**To find out more about leaving Oakhaven a gift in your will, visit [oakhavenhospice.co.uk/legacy](https://oakhavenhospice.co.uk/legacy), or call 01590 677773.**

**THIS IS  
HOSPICE  
CARE** ♥

It's easing pain and bringing comfort, caring for those dying and for those around them.

**Help hospice care live on for all, for now, forever.**

# Home care

with 100% of any profits  
donated to Oakhaven Hospice

**Support** with the activities of daily life and **companionship** to help combat loneliness and isolation.

From 30-minute 'drop-ins' to multiple daily visits to 24-hour live-in care, we can help you remain independent in the familiar surroundings you know and love, while receiving the support you need.

Our friendly, trained Care Assistants provide a wide range of home care services, tailored to your exact needs and wishes for your day-to-day routine.

Services include personal care; support with medication, meals and fluids; domestic assistance; help accessing your community; and companionship, helping you live life to the fullest.

- ✓ Live-In Care
- ✓ Visiting Care
- ✓ Respite Care
- ✓ Palliative Care
- ✓ Convalescence
- ✓ Companionship
